

HEALTHY OR NOT HEALTHY?

There are studies where we learn about healthy foods we eat, and how fruits and vegetables give our bodies the fuel it needs to grow up and be strong! **Circle the healthy foods below.**

Children's Hospital of Philadelphia Research Institute continues its groundbreaking research on numerous diseases and disorders that effect children. Without families and individuals like you to participate in research, many breakthroughs would not be possible. **Scan the QR code on the left to sign up to our Research Participant Registry. Questions? E-mail the Recruitment Enhancement Core at participantrecruitme@email.chop.edu or call 267-426-6846.**
