

TRANSGENIC CORE

Fee Schedule

Option	Service	FY22 Service fees
	Mouse CRISPR mRNA microinjection	2,836.00
	Mouse CRISPR 2-cell Microinjection	3,177.00
	Mouse CRISPR Electroporation - 1 Line	1,926.00
	Mouse CRISPR Electroporation - 2 Lines	2,333.00
	Mouse IVF for CRISPR EP - 1 Line	1,896.00
	Mouse IVF for CRISPR EP - 2 Lines	2,915.00
	Mouse IVF for Sequential Electroporation	2,340.00
	Rat CRISPR microinjection	7,363.00
	Rat CRISPR Electroporation	5,693.00
A	Blastocyst microinjection (no ES cell injection)	1,742.00
B	Blastocyst microinjection (normal session)	3,261.00
C	Blastocyst microinjection (debride with cells)	3,485.00
	Embryo Cryopreservation/strain	2,136.00
A	Rederivation: with embryos (harvest and freeze)	2,330.00
B	Rederivation: with pre-frozen embryos	1,158.00
C	Rederivation: with cooled sperm	1,880.00
D	Rederivation: with pre-frozen sperm	1,924.00
E	Rederivation: with sperm (freeze & thaw)	2,131.00
	Small Embryo Cryopreservation Session	647.00
	IVF/Embryo Cryopreservation	2,467.00
A	Sperm Cryopreservation (w QC)	1,924.00
B	Sperm Cryopreservation (w/o QC)	571.00
	Re-tailing (per cage)	58.00
	Shipping frozen gametes/strain	182.00
	Receiving frozen gametes/strain	130.00

Services may also incur animal purchase fees, these fees will vary according to strain specification and animal number.
