

BIostatistics & Data Management Core

Fee Schedule

BDMC hourly rates (7/1/2024 – 6/30/2025)

If an investigator needs BDMC support following the initial, free consultation, a BDMC staff member will create a cost estimate for the requested services using our current hourly rates.

Clinical Data Manager	\$126
Senior Data Research Associate	\$118
Clinical Research Associate	\$126
Senior Database Developer	\$126
Research Biostatistician	\$183
Information Systems	\$94
Senior Information Systems	\$118
IT/DM Manager	\$183
Senior Quality Assurance	\$126
Project Manager	\$183
Project Director	\$206

These rates are for CHOP and Penn clients. The investigator will be billed for the agreed-upon services on a monthly basis. We only charge for the hours we actually spend. For internal CHOP clients, funds are transferred directly from your specified account. For Penn and external clients, purchase orders are requested.
