

eSPA for Other Support

1. Login to Espa at: <https://resckapp04.research.chop.edu/eSPA>
2. Scroll down to Research Profile and select the link

Folder for Brent Bell

Welcome to your Personal Page, the central resource for managing your sponsored projects applications. Your Personal Folder provides all the tools you need in order to complete your role in the application process. Use the following guidelines to process your application:

- **Review all items in your Inbox.** Items appearing here require immediate action by you to speed the submission through the review process.
- **Monitor the progress** of the Funding Submission you are listed on using the remaining tabs. Items on these tabs do not require any action by you.

Update My Notification Preferences:

Researcher Profiles (PI/PID)				
Filter by ? ID ▼ <input type="text" value="Enter text to search"/> 🔍 + Add Filter × Clear All ⚙️				
ID	Name	Execute Activity	Date Modified	State
RP00001426	<u>Brent Bell's Profile</u>	▶ Execute Activity... ▼	9/14/2021 11:23 AM	Active

1 items ◀ page 1 of 1 ▶ / page

3. Navigate to Other Support Link on the left-hand column and a new window will pop-up

The screenshot shows the eSPA interface with the following elements:

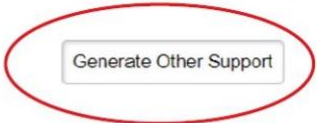

- Header: eSPA logo, eSPAQA, eSPA.Release83.000.014, eSPA-2022.07.26.15.32, eAGREEMENTSQA | eCOIQA | eIACUCQA | eIBCQA | eIRBQA | eSAFETYQA, Hello, ▼
- Navigation: Dashboard, Sponsored Projects
- Current State: Active
- Left-hand column: Edit Researcher Profile, Printer Version, **Other Support** (circled in red), Update Notification Preferences
- Main content area: Contacts, History, PI Delegates (Name, Funding Proposal Security, Budget Security), Proposal Team Members (Name, Funding Proposal Security, Budget Security), CHOP Personnel (Name, Role, Personnel Category, There are no items to display), Administrators (SPO, RBM, GCS)

4. Select Generate Other Support to capture the current grant funding information.
5. A word document will be available for download.
6. Please ensure that the document has the latest date/time in the title to avoid downloading an outdated version.
